## How to find us

Amida is located in the heart of Shoreditch, East London, just north of Liverpool Street station. We're on the 1st Floor at 65 Rivington Street, Shoreditch, above 'The Diner.' Look out for the black door on Rivington Street and ring the buzzer for Amida.

We really encourage visitors to use public transport wherever possible and there are several options:

### Video Conferencing

We are all on Skype so if this is more convenient please speak to your relevant consultant to arrange this.

### Cycle

Barclays Cycle Hire bikes are available only a couple of minutes away on Shoreditch High Street. Unfortunately there is limited space here for personal bikes but we do have a shower for after a ride!

### Tube

We are less than a 10 minute walk from Old Street (Northern Line) and Liverpool Street (Central, District, Metropolitan, Hammersmith & City lines.)

### Bus

**No. 35** from Liverpool Street to Shoreditch High Street  
**No. 243** from Waterloo to Shoreditch Town Hall

### Taxi

We recommend Green Tomato Cars as they use hybrid engine cars, and double-funding offsetting projects to make up for unavoidable emissions, Tel: 020 8568 0022

### Car

If needs must and you are travelling by car then the closest car parks are:

Euro Parks, Shoreditch High Street E1 6HU NCP, Great Eastern Street, EC2A 3ER
